Storybook fun taster

Description

All of our new Tailored Learning courses are matched to one of seven 'purposes' which have been designed by the Department for Education to recognise the wider benefits of learning.

This course will help build parenting skills and give you the confidence to support your children's learning.

Try our fun, friendly family learning course with this special one-off session as part of the Family Learning Festival! You and your child can enjoy a much-loved children's story brought to life through playful activities, crafts, songs, and shared storytelling. See how stories can spark imagination, support early learning, and help you connect with your child in meaningful, creative ways. This taster is a perfect opportunity to join in, meet others, and discover the joy of learning through play.
