English Curriculum and the Scargill Values

Love of all people	Showing love of all people at all times regardless of background. Celebrating people through rewards, writer of the week, Scargill star and Stevens award. During lessons we will show love of all people by respecting their thoughts, values and opinions. When reading diverse texts we will respect authors from different backgrounds to our own.
Love of God	Meet together regularly to offer worship, praise, prayer and thanksgiving to God. Know that we worship a God of love, justice, mercy and forgiveness. Respect the beliefs of others. We will write our own prayers and read these to others. We will listen with respect in worship and follow in God's footsteps. We will communicate and reflect on what has been taught through worships and lessons.
Love of life itself	We celebrate the achievements of all. We foster a high level of self-esteem, believing that it is from this, a truly positive love of life emanates. Through our love learning in English help prepare children for life and the love of life itself.
