

DAS Y5 Summer 2

If God is everywhere, why go to a place of Worship?/Is it better to express your religion in arts and architecture or in charity and generosity?

sacred	Seen to be special or holy by people from a religious worldview.
mandir	A Hindu place of worship.
mosque	A Muslim place of worship.
synagogue	A Jewish place of worship.
cathedral	A large and significant church.
architecture	The design and style of buildings.

Many Muslims do not draw pictures of Allah, and some do not draw humans.

Calligraphy and geometric patterns are used in many Muslim buildings to create beauty

Places can be special for many reasons including where they are, what is inside them, what is done there and who goes.

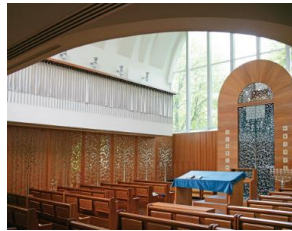

Places of worship have features which many believers help them to connect with God.

church

synagogue

mandir

There have been places of worship across the world for thousands of years. They serve many purposes for believers and communities

mosque

There are many Christian & Muslim charities which help those in poverty around the world.
