

End of Term 2025-2026 Newsletter

Year 3/4

Goodbye!

As we come to the end of another successful academic year, we would like to say what a fantastic year the children have had. They have worked incredibly hard, shown great enthusiasm for their learning and should be very proud of all they have achieved. This half-term has been particularly busy, with the children enjoying Sports Day, taking part in a positive transition morning and preparing for the exciting next steps in their school journey. During our collective worships this half-term, we have focused on our school value of 'trust', and it has been wonderful to see the children demonstrating this in their friendships, learning and daily interactions. The whole team will miss the children greatly as they move on to their new classes, but we know they are ready for the challenges ahead. We have worked closely together to ensure that every child experiences a smooth and successful transition, and we are confident that they will continue to thrive in the next stage of their education. We wish all of our families a happy, relaxing and well-deserved summer holiday

Reading

Reading is such an important life skill and plays a vital role in helping children access all areas of learning at school. Regular reading at home is an essential part of a child's reading journey, and it has been wonderful to see so many children and families embracing this and working so hard throughout the year. Thank you for your continued support – it truly does make a significant difference to children's progress, confidence and enjoyment of reading. As we head into the summer holidays, we would encourage children to continue reading regularly. Remember that reading for pleasure can take many forms; it could be a storybook, a comic, a magazine, a recipe, instructions for a game, or even signs when out and about. Every opportunity to read helps to build fluency, vocabulary and a love of reading. Most importantly, we hope the children enjoy sharing books and discovering new texts over the summer, so that they return to school ready for another successful year of learning.

Scargill CofE Primary School

Living our Values Everyday

'Let all that you do, be done in love' 1 Corinthians 16:14
