Suncream

Dear Parents and Carers,

Thank you for ensuring your child is fully protected from the sun with suncream this week. It has certainly been a sunny one!

However, it has come to our attention that some suncreams contain almond oil. As you are aware, we have children at school with severe nut allergies. Please can you ensure that the suncream your child is wearing or bringing into school does not contain almond oil or any other nut so that we can ensure all our children are safe. More information can be found in the link below for the Nivea brand of sun cream.

<https://www.nivea.co.uk/allergy>

Thank you for your continuing support in keeping our children with allergies safe.

Kind regards,

Mrs Hallsworth

Head of School
