

DAS Y3/4 Cycle A Summer 2

What do different people do to care for the world and why do they do it?

climate change	Changes in the climate over many years causing more extreme weather.
sacred	Seen to be special or holy by people from a religious worldview.
Brahman	Hindu word for God or supreme being.
activist	Some who tries hard to change something important to them.
scripture	Important, special or holy texts from a religion.
symbol	Something that represents something else.

Religious artwork, including stained glass windows, often include symbols of nature.

Climate change is dangerous for humans, wildlife and the planet.

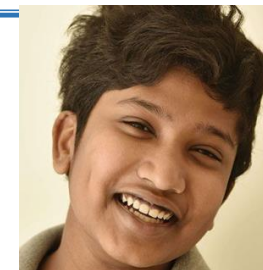

Some Hindus say a prayer to Mother Earth every morning.

Many Hindus are vegetarian and most do not eat beef as cows are seen as symbol of all living things

Many Hindus believe that all living things are sacred because they are all part of Brahman.

Some people work hard to try to stop climate change, they are inspired by many things including religious beliefs.
