

INDIVIDUAL PHOTOGRAPHS – Monday 17th November 2025

For this year's photography session, we would like to invite siblings that don't attend Scargill into our school to have their photographs taken as a family.

If you would like your child to have their photograph taken with their older or younger siblings, we ask that you come into school via the main entrance at 8.00am on the date above. To ensure this process runs smoothly and runs to time, please have your children ready to photograph.

If all of your children attend Scargill, these photos will be taken during the school day, so you do not need to come early.

The slot from 8.00am is only for children whose siblings do not attend our school.

Kind regards

Mrs S Hallsworth

Head of School
