Dear Parents/Carers

At DDAT, being a listening organisation remains central to who we are. Your feedback helps us nurture our culture, recognise what is going well across our Trust family, and understand where we can continue to develop together.

DDAT has requested a Parent Survey opening on **Monday 23rd November and closing on Sunday 6th December,** and we warmly encourage you to take a few minutes to complete it. Your voice matters. Every response helps us build a stronger, more supportive environment for parents/carers and pupils across our schools.

The survey is **confidential**, and the insights you share directly shape how we plan, prioritise, and continue improving the DDAT experience for everyone.

You can access the survey via the link below:

https://edurio.com/s/open/survey/3MEqd7i2GWSheirFgqKo8mrdp0o

Thank you for taking the time to contribute. By sharing your reflections, you help us continue our focus on improving life chances for our pupils and the quality of experience in our schools.

Kindest Regards

Jackie Stirland
Deputy CEO and Head of School Improvement
