What does it mean if God is holy and loving?

God	A supreme being sometimes believed to have created the universe.
divine	Relating to or coming from God.
holy	Relating to a religion or a god.
omnipotent	Having unlimited power or able to do anything.
eternal	Lasting forever.
omniscient	Having or seeming to have unlimited knowledge.
omnipresent	Present or having an effect everywhere at the same time.
sacred	devoted or dedicated to a deity (god) or to some religious purpose

Often churches and cathedrals have features that reflect Christian beliefs about God - such as stained glass windows that tell stories, the altar where the communion is prepared and (in Catholic churches) the confessional where people admit and say sorry for sins.

The Psalms of David are songs and poems written in praise of God by the Jewish king, David in the Old Testament. David was the king, who, as a young shepherd boy, defeated the giant Goliath with a slingshot.

Christians read the Bible as telling a story of the relationship between God and humanity.

Many Christians try to act in ways that they believe will please God - they use the bible to learn what these might be.
