Aldi, Team GB and Paralympics GB Design a Lorry Competition

Dear Parents/Carers,

Our Sports and Eco ambassadors are collaborating on a project by taking part in Get Set to Eat Fresh's Design a Lorry Competition! Get Set to Eat Fresh, brought to life through Aldi, Team GB and Paralympics GB, is a nationwide education programme to help all young people develop their love and curiosity about healthy, sustainable food and the knowledge and skills they need to cook nutritious, low-cost meals.

Design a Lorry Competition

The Get Set to Eat Fresh Design a Lorry Competition challenges young people aged 5–14 to get creative and design an Aldi lorry that inspires people to enjoy healthy, sustainable food. The winning design will be selected by a judging panel from Aldi, Team GB and Paralympics GB. By taking part in the competition, our students have the chance to see their designs come to life with the three winning designs each used on their own Aldi lorry. The winning student will also receive an exclusive Team GB and Paralympics GB goody bag, plus a £100 Aldi voucher and the school will win a £1,000 prize!

Entering the Competition

- Ask your child to complete their final design on the Design a Lorry Competition entry template **(these will be given to your child as homework this week)**. The judges will be on the lookout for an inventive, exciting and eye-catching design that celebrates healthy food and will inspire others to eat more sustainably.
- Please ensure their **personal details are filled in** and they've created a design for both the side and back of the lorry (the side design will appear on both sides).
- Please make sure to complete and return the **Entry Template by Wednesday 21st June 2023** so we can submit your child's entry before the closing date.

To find out more about the competition visit: getseteatfresh.co.uk/designalorry.

Thank you for all your support and we look forward to seeing your child's design!

Yours sincerely,

Miss Gavagan and Mrs Benn (Sports and Global Ambassadors)
