Living Our Values Everyday

Living Our Values Everyday

A couple of trips experienced already this half term. Y3 enjoyed a wonderful day at Yorkshire Wildlife Park.

Badgers have got off to a great start with their Woven Wonders in art and design.

In English, Badgers have been focused on their oracy unit, in the pictures below the children had to articulate their hidden picture without using the name of the object/animal. Lots of fun with the descriptions!

Changing Lives shared the story of Ruby's Worries with KS1, the children then drew their worry clouds onto paper plates and thought about who they can turn to for help when needed.

#### Dolphin Class Trip to Matlock Farm Park

This half term Dolphin Class have been on our class trip to Matlock Farm Park. We really enjoyed seeing animals we might not have known before, getting the opportunity to feed them and finding out lots of information about the m too. We had a great day with lots of happy tired faces on the way back to school.

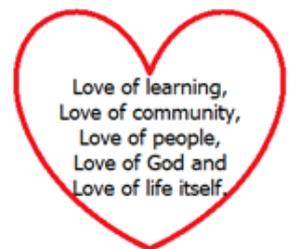

## **Attendance Survey**

Thanks to parents for completing our Attendance Survey. It is really interesting to hear your views. This is definitely a mixed picture. Whilst many parent views are clear on acceptable reasons for school absence and lateness a number of parents expect a school holiday to be authorised during term time. There also seems to be some disgruntlement due to thinking that some parents have their holiday authorised (not fined) and some don't - leading to a fine.

To be clear, good school attendance is the law not simply a rule we have made up. Headteachers are permitted to authorise genuine necessary absences eg illness. Headteachers can also authorise absences for extenuating circumstances – situations which are unforeseen and out of your control – eg funeral, bereavement. A holiday is not an extenuating circumstance as there is a choice about when you can go with the knowledge that children have 13 weeks holiday a year. We are not responsible for the price of holidays but we do try to help parents by putting INSET days at the start of the school year in the knowledge that prices drop during the first week of September.

In terms of arriving at school, some parents have suggested that our school gates could be opened earlier in the morning. Unfortunately, this is not possible as teachers are busy ensuring lessons are ready for the day and cannot supervise children at this time. Our school was not selected as an 'early adopter' of the Government's new breakfast scheme. It could well be that this may help moving forward but at this time there is a lack of clarity from the Government about how this will work. Our new before and afterschool club JAG will start on 1<sup>st</sup> July which again may help in easing everyone arriving at the same time. More information about this can be found here [https://scargill.eschools.co.uk/web/before\\_\\_after-school\\_provision/709044](https://scargill.eschools.co.uk/web/before__after-school_provision/709044)

Thanks again for completing the survey as it is helpful to know your views and address any misunderstandings. A reminder too that our Attendance Policy is available for parents to read on our website.

## **Summer Term Fundraising for FOS**

Over the half-term break lots of children will take part in 'Challenge 2025' to raise funds for the repair/replacement of the wooded play equipment on the school field. I'm sure you saw the many photos shared on the FOS Facebook Page of the wonderful challenges which included litter picking, random acts of kindness, scooting, running, swimming, exploring, cycling, being silent and much much more! An incredible 70 children took part raising £2520. Thank you!

Plans are well underway for the fayre on **Saturday 5<sup>th</sup> July 10am-1pm**.

There will be lots of exciting stalls and events including face painting, a bouncy castle, welly wanging, games, penalty shoot-out, sponge the teacher, performances from Pigeon Pie as well as our School of Rock band, dance and gymnastic performances and much, much more!

### Parking

Please can we ask that parents show respect and consideration to our neighbours when parking near school and not block drives and leave engines running unnecessarily.

There are cars parking/pulling in on the zigzags on Hallam Way. I have asked our PCSO to monitor this. The markings are there to help keep all our children safe. It is extremely dangerous when people park illegally.

PLEASE FOLLOW THE RULES!

<https://www.think.gov.uk/road-safety-laws/>

**Please also note that parents should not park in the staff carparks. This includes parents using the before/after school club.**

Living Our Values Everyday

Parents, carers and grandparents are warmly invited to watch the sports days next week. You can stay on the grass bank (bring a blanket to sit on) once you have dropped your child at school.

Our FOS will be offering refreshments for spectators – cash only please.

Each sports day is due to start at 9.15 a.m. and expected to last about an hour.

For safeguarding reasons, no photography or filming of any kind is permitted and the school building will be inaccessible. Teachers will post pictures of Sports Day on the school's Twitter (now known as X) page.

Thank you, in advance for your co-operation and support. We look forward to seeing you there.

The dates for each year group are in the diary dates below.
