SATs and revision

In the previous term, we recommended the below books to support your Y6 child with revision. The following books are great for giving children practise in reading, SPAG and Numeracy tests. The “Achieve expected level” is for those aiming for the expected level and the “Higher Score” range has a higher level of questions. *Please ask your child’s teacher if you are not sure which level book is right for your child.* These are available from sellers such as Amazon, Waterstones or WH Smith (see the Amazon link for each book).
