

DAS KS1 Cycle A Summer 2

Why does caring for the world matter?

climate change	When the weather on earth changes over many years.
Tu Bishvat	New year for trees.
Allah	The name Muslims use for God.
blessing	A prayer for good things from God.
provider	Someone who gives you what you need.
creator	Someone who creates something.

Climate change can be dangerous for humans, wildlife and the planet.

Many people think we should do things to help stop climate change.

Muhammad and the thirsty camel.

Muslims have 99 names for Allah including provider and creator.

Some Muslim stories talk about how it is good to care for the world and animals.
