_____

Friday 26th September 2025

Dear Parents/Carers

We are excited to announce that we moved our MIS (Management Information System) to Arbor in July 2025.

Adopting Arbor will allow us to communicate with you more efficiently and bring all core school data and workflows into one system.

For the time being, we are inviting parents to download the Parent App and familiarise themselves with it using the link below.

Getting started - Log into the Parent Portal and the Parent App

In time, we will open up more features such as parent evening booking, communication & payments for trips/meals.

Arbor also offers access to many training resources which are completely free for you to make the most of! These can all be found here.

We will send further communication on the parental app and how to register on Monday 29th September 2025, please look out for this information and register your child when prompted.

We hope you are looking forward to using this new feature as much as we are!

If you have any queries, please contact the school office on 0115 932 0005.

Yours sincerely,

Mrs S Hallsworth

Head of School
