

Thursday 25th April

Dear Parent/Carer

To support our science topic, we are planning to take our Year 3 and 4 children to:

Place: Yorkshire Wildlife Park
Date: Thursday 13th June

Voluntary contribution per child: £21.81

Children will need to wear:
school jumper, preferably with school logo.
Comfortable trousers or shorts (depending on the weather)
sturdy/comfortable shoes.
warm, waterproof coat as we will be outside all day
Sun cream and a sun hat if the weather is warm

They need to bring:
a backpack with a bottle of water, this needs to be in addition to their lunchtime drink.
packed lunch (no nuts or sesame/nut or sesame traces), or you can order a school packed lunch.
separate waterproof jacket if needed.

If you wish your child to have a school lunch, please contact the office no later than Friday 24th May to provide your order. A school lunch consists of a sandwich, fruit, salad/veg sticks, sweet treat and a bottle of water. The children will be carrying their bag all day so please think about this when packing their lunch as boxes/cool bags are heavy and bulky.

We will begin our journey at 9am and return home at approximately 4.30. To maximise our time at the park and to consider the journey time we have made this an extended school day. This will be an exciting day consolidating our learning in science of animals as consumers and plants. Alongside these, we also looking at our respect for our world with a workshop exploring endangered animals and conservation.

We will use the latest medical information and emergency contact details that we have on file. If any details have changed, please inform the school office.

Please provide consent and payment via ParentPay by **Thursday 30th May 2024**
As always, this trip will only go ahead if we receive enough contributions.

Kind regards

Mrs Benn, Miss Roper, Miss Lang and Miss West
