

## Year 6 SATs Information 2025

Dear parent or guardian,

We just wanted to share some information with you regarding Year 6 SATs in 2025.

The SATs timetable this year will be as follows:

Monday 12<sup>th</sup> May: English grammar, punctuation and spelling (GPS) papers 1 (45mins, questions) and 2 (20mins spelling)

Tuesday 13<sup>th</sup> May: English reading paper (60mins)

Wednesday 14<sup>th</sup> May: mathematics papers 1 (30mins, arithmetic) and 2 (40mins, reasoning)

Thursday 15<sup>th</sup> May: mathematics paper 3 (40mins, reasoning)

If your child has additional needs then this will be taken into account when planning the arrangements for implementing the tests. We have done one set of practise SATs to get the children used to test conditions and expectations; we will be doing another set in the coming weeks.

### SATs and revision

In the previous term, we recommended the below books to support your Y6 child with revision. The following books are great for giving children practise in reading, SPAG and Numeracy tests. The "Achieve expected level" is for those aiming for the expected level and the "Higher Score" range has a higher level of questions. *Please ask your child's teacher if you are not sure which level book is right for your child.* These are available from sellers such as Amazon, Waterstones or WH Smith (see the Amazon link for each book).
