### Year 3/4

### Welcome back Y3/4!

Happy New Year to all of our children and families.

We hope that you have had a good break and are looking forward to the new year.

The children had a very busy half-term in the lead up to Christmas!

Thank you if you were able to pop in and support your child with their calendar making, they certainly seemed to really enjoy sharing that experience with a loved one. Our Design and Technology day also allowed the children to put their plans and designs into action as they constructed their photo frames. They also appeared to love sharing the experience of their first Christingle with their peers at a very festive short service at St Wilfrid's church.

Here's a few photographs of what our children got up to during Autumn 2.

### **Nut Allergies**

Please be aware that we have children in school who could have an anaphylactic reaction if exposed to nut traces. Please only send your children to school with packed lunches that do not contain nuts or products containing nut traces. This includes Nutella and other chocolate spreads/products that contain nut traces or MAY contain nut traces.

Thank you!
