

Dear Parent / Carer

Did you know that as well as free school meals during term time, you are also entitled to access FREE holiday clubs this winter holiday?

It's About Me is a **FREE** Holiday Activity and Food Programme funded by the Department for Education, designed for children and young people across Derbyshire to have healthy, active, fun-filled school holidays. It's About Me believe that everyone deserves a good break and that school holidays are better when children and young people are active, having fun, being entertained and learning new things.

If your child is aged between 4-16 and is eligible for benefits-related free school meals, then they are entitled to access the It's About Me holiday clubs for free! There are a huge range of activities available including sports and games, arts and crafts, cookery, dance and music. Programmes vary depending on the type and location of each local club and each will holiday club will give your child a nutritious meal too!

We hope you will take advantage of these fantastic **FREE** holiday clubs across Derbyshire so your child/children can have a fun-filled and safe holiday!

Booked but can't attend?

During our summer programme, we had a large number of spaces that were booked but the child did not attend. If you book an activity for your child and they can no longer attend please contact the provider to cancel the space. Most clubs have a waiting list so spaces can be given to another child if the organisation knows your child is not coming.

If you are eligible for FREE It's About Me holiday provision, you will receive a unique IAM code from your child's school before Monday 4th December 2023. If you have not received your code, but believe your child is eligible for the programme, please contact your school office.

If you are not eligible for free school meals but would still like to attend a holiday programme this winter, a number of our holiday club providers also offer places for children who are not eligible too; we call this a 'blended approach'. These places are either paid for by parents and carers or are offered at a subsidised rate through other funding the holiday club has received. Visit the It's About Me website and contact holiday clubs directly for more information on what they offer.
