

Year 1 and 2 Summer 2 Homework Information

Homework will continue to be set each week, alternating between paper-based homework and online homework.

Homework is best completed in a quiet room with few/ no distractions.

Please remember that the paper-based homework must be stuck into your child's homework book once it has been completed to ensure it is not lost.

For each piece of paper-based homework completed your child will receive a Dojo.

Online homework: Please check both My Maths and Purple Mash as there will usually be online work set on both these sites.

The table below shows when homework is set and the deadline for completion. Please note paper-based deadlines are Wednesdays.

Date set	Type of Homework
7 th June	Paper-based
14 th June	Online
21 st June	Paper-based
28 th June	Online
5 th July	Paper-based
12 th July	Online
19 th July	Paper-based

As always Numbots can be accessed at any time at home and is always worth logging on to see if your child can improve their robot by developing speed and accuracy with their mental maths.

For those children who have a Nessy login it is worth remembering that logging on and completing games as often as possible (for 15 minutes at a time) makes a difference to children's phonic knowledge and is particularly useful in supporting progress with spellings. There are two programmes which can be used phonics and writing beach.

As always if your child has forgotten any of their logins please email in to us and we will happily send you the details.
