### Open Morning

Dear Parents and Carers,

You are all invited into school for our annual Open Morning on **Thursday 23rd November**. We are really looking forward to showing you the great teaching and learning opportunities your children have.

During the morning you will be able to see what a typical morning at Scargill is like. You can spend time in your child's classroom as well as looking at the whole school environment and the teaching and learning opportunities in place across school. This might include Power Maths, Little Wandle Phonics, Talk for Writing and Collective Worship.

Throughout the morning, Mr Hetherington and I will be available if you have any questions. Changing Lives will be there to share information about how they can support families. Some of our governors and FOS will be providing refreshments for parents too.

Due to capacity and health & safety regulations, we can only accommodate up to a maximum of 2 adults per household. Younger siblings are welcome to come along, however, parents remain responsible for them. Please be aware that any pushchairs will have to be stored in the outdoor bike shed at your own risk.

We really hope you can make it. To help us spread the flow of potentially 600+ parents visiting, we are allocating two sessions. Please complete the form on the link below by 4.00pm on Monday 20<sup>th</sup> November 2023, to indicate which session you would like to attend.
