

Friday 25th April 2025

Dear Parent/Carer

We are writing to update you on our before and after school day-care offer for the remainder of this half-term.

We will be able to provide provision after school till 4.15pm for families who were due to use The Lanes provision. This will not incur a cost.

For the mornings, starting next week, AM Sports will provide before-school care from 7.30am. This will include breakfast of toast and a drink. For this session there will be a cost of £7.50 each day to be made to school (not directly to AM Sports) via the ParentPay system.

If you wish to use either provision, please complete this short Google Forms by 5pm on each Friday to book in for the week ahead. <https://forms.office.com/e/4qaDYQYbax>
A new link will be sent out every Wednesday to book for the following week.

We will communicate any updates for the second part of the summer term as soon as possible and thank you for your patience.
