## How can following God bring freedom and justice?

|          |  |
|----------|--|
| freedom  | Able to act as you wish.                           |
| justice  | Things being right and fair.                       |
| covenant | A serious promise or agreement.                    |
| slavery  | People owning other people and using them for work |

Many Christians believe they should try to serve God and to bring freedom to others; for example, loving others, caring for them, bringing health, food, justice, and telling the story of Jesus.

Christians often see the story of Moses as looking forward to how Jesus' death and resurrection also rescue people from slavery to sin.

Most Christians believe the 10 commandments were given to Moses to guide people in how to live as part of the covenant.

### LifeLines: MOSES

The Old Testament tells the story of the People of God.

The story of Moses and the Exodus shows how God rescued his people from slavery in Egypt.
