

Year 1 and 2 Spring Homework Information

Homework will continue to be set each week, alternating between paper-based homework and online homework.

Homework is best completed in a quiet room with few/ no distractions.

Please remember that the paper-based homework must be stuck into your child's homework book once it has been completed to ensure it is not lost.

For each piece of homework completed your child will receive a Dojo. Please note that for online homework this usually entails work set on Purple Mash and My Maths. Work set is always linked to the learning taking place in school.

The table below shows when homework is set and the deadline for completion. Please note paper-based deadlines are Wednesdays.
